

Have you recently been
hospitalized because of a

HEART ATTACK ?

***You may be
eligible to participate in a clinical
trial evaluating the effects of an investigational
drug on reducing the risk of future cardiac/heart events.***

YOU MAY BE ELIGIBLE TO PARTICIPATE IF YOU:

- ♥ Are at least 45 years old
- ♥ Have had a heart attack within the past 3 months

ELIGIBLE PATIENTS MAY RECEIVE:

- ♥ Study-related medical care AND
- ♥ Compensation for time and travel
